⚠ **Designer Note:** This label image is a corrected visual reference for production. The designer must recreate in vector (Adobe Illustrator / InDesign) using this as the exact guide. All text, hierarchy, spacing, and color must match. Convert all colors to CMYK, outline fonts, and export as PDF/X-1a or PDF/X-4 for print. QR code and barcode must be scan-tested at print size before final production run. Items marked "MANUFACTURER VERIFICATION REQUIRED" in the blueprint must be confirmed before print.
